The screenshot shows the 'Two-Factor Authentication' section of a web form. At the top left is the Saint Paul & Minnesota Foundation logo. Below it, the title 'Two-Factor Authentication' is displayed in a teal font. Underneath the title is a 'Security code' label followed by a text input field. Below the input field is a checkbox labeled 'Register this device'. To the right of the checkbox are two buttons: a brown 'LOGIN' button and a grey 'ENTER A DIFFERENT PHONE NUMBER' button. A red arrow points from the bottom left towards the 'Register this device' checkbox.

13. Check the box to **Register this device** so you do not have to complete two-factor authentication in the future. If you do not check this box, you will need to utilize two-factor authentication upon each log in.

14. Select **Log In**.

15. To complete your registration, connect to your organization. Use the **search** feature to find your organization. Select the **Add Myself as Grant Administrator** button to become a grant administrator for your organization.

Note: If you belong to an organization with multiple chapters or locations, we recommend searching using your EIN number to confirm whether your specific chapter is already in our system.
